Izzy Taylor  
Education Coordinator

Lily Wood  
Junior TMS+ Coordinator

Nikola Ziarnowska  
Education Coordinator

# Who we are!

TMS+ is an education facilitator for young people (4yrs-18yrs) who seek a more individual and personalised learning experience. TMS+ oversee and support education

TMS+ focus on supporting young people's social and emotional wellbeing alongside overseeing high standards of education

TMS+ oversee education by setting a bespoke curriculum and mentoring

We build wider relationships with young people to explore interests, hobbies and future prospects

We strive to create a positive and happy learning environment for young people to achieve their maximum potential

Mentors support the young people on a 1 to 1 basis to help aid learning

What we  
value at  
TMS+

**Bee** Creative

**Bee** Your Best Self

**Bee** Honest

**Bee** Courageous

**Bee** Innovative

**Begin** Relationships

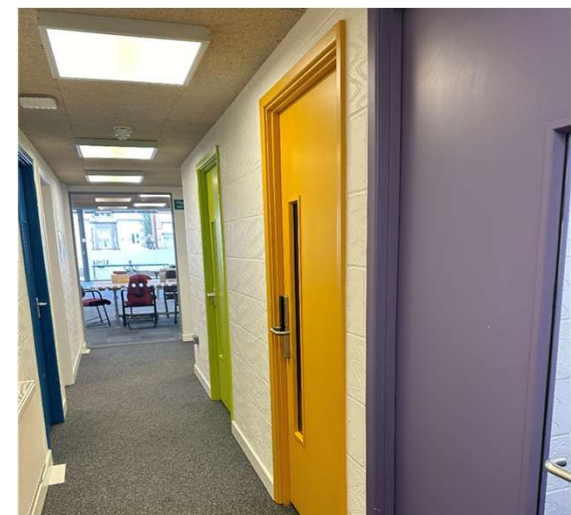

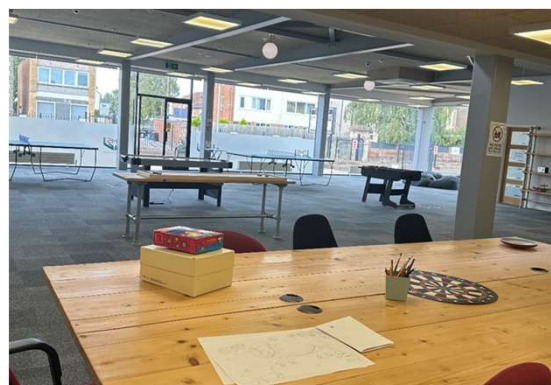

# Facilities

TMS is located in a large unit in Kingsholm comprising of

- Three quiet 1:1 classrooms
- A sensory room
- Two large communal areas
- A kitchen with facilities for baking & cooking lessons
- Art room
- Computer room
- Restrooms with showers
- Sports cupboards

Additionally, TMS+ students gain access to a second floor dedicated to learning. The second floor includes

- Four dedicated areas for working with mentors
- A separate art area
- A Mezzanine with seating
- The TMS+ office with staff on hand to support young people at all times

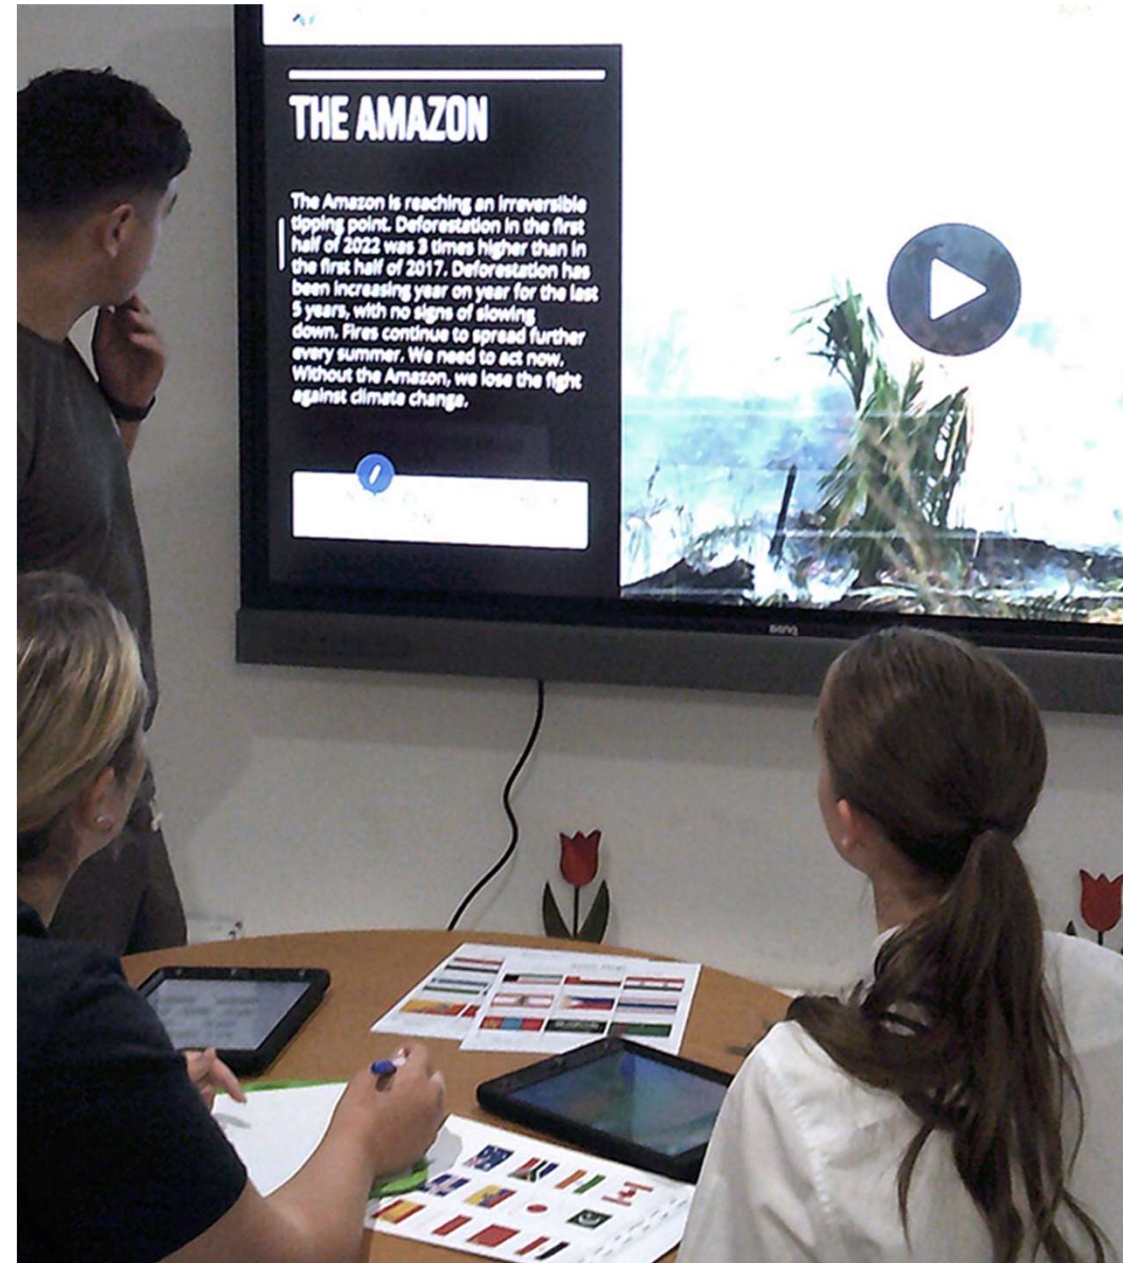

# Learning Philosophy

## Constructivism Approach to Learning

At TMS+ we strive to create a positive learning environment for all pupils to succeed and develop. Staff embrace learners that come from different backgrounds, so they carry their unique set of circumstances and experiences into a safe shared environment. TMS+ encourage learning through creating bespoke education work as well as informal social interactions, discussion and group work.

TMS+:

- Encourage individuals to reflect actively on their learning so that they achieve a more complete understanding of new ideas.
- Help young people to connect new information with what they already know.
- Stimulate and motivate young people to become more confident and positive towards their learning.

# The Curriculum

TMS+ have designed a curriculum that considers pupil's interests and hobbies. Pupils have access to 'Taylored' work that focuses on individual learning outcomes. TMS+ understand that every young person learns differently and therefore, have added elements of kinesthetic and visual learning within the curriculum. Within the TMS+ program we focus on five key areas:

- **Maths**
- **English**
- **PSHE**
- **PE/Outdoor**
- **Creativity**

## Social & Communication

**TMS allotment project** – Being part of the community, developing teamwork and communication. Working towards a shared goal and giving back.

**Group learning** – starter activities and regular discussions during breakfast. Sharing ideas and encouraging conversations in a relaxed environment.

**TMS Events** – ‘end of half-term’ events to promote fun, enjoyment and create memories.

## PSHE and PFA

**C-Card Trained Staff** - Building relationships and promoting personal care and hygiene.

### PSHE -

- Relationships
- Health and wellbeing
- Living in the wider world

### PFA (Pathway to Adulthood) -

- Education, Training and Employment
- Keeping Healthy
- Friends and Community
- Independent living

## Creative

**Music room:** A room dedicated to music equipment and technology. Students are encouraged to explore their interests and expand their knowledge on music and dance.

**Art rooms:** Dedicated art spaces both downstairs and in the TMS+ areas. Regular art challenges set around the unit weekly using a range of media.

## 5 Fundamentals to Learning

### Personalised Education

Daily **Maths** and **English** to meet individual needs.

**AQA Unit awards** (Assessment and Qualifications alliance)

**ASDAN** (Award Scheme Development and Accreditation Network)

### Physical Wellbeing

**Team sports** – Encouraging teamwork and communication. Understand technical and tactical components. Exposure to healthy competition.

### Wellbeing –

- Understanding the importance of a healthy lifestyle
- Building friendships
- Mindfulness
- Being a part of the TMS+ community

# Partnerships and Post 16+

## Post 16+

TMS+ offers support for young people of school leaving age through encouraging educational progression (ASDAN, Unit Awards), updating a post 16+ bulletin board that include job opportunities and apprenticeships, accompanying young people to post 16+ events and liaising and facilitating post 16+ opportunities.
